The Mission of St. Francis & St. Clare Parish

Through Baptism we are called by God, rooted in Jesus Christ and guided by the Holy Spirit, to support and nurture a Catholic Christian Community:

- To learn, to love and to share our faith
- To worship in word and sacrament centered in the Eucharistic celebration
- This calls us to social justice to service those in need and to work together for God and one another

The season of Lent start this Wednesday, March 5. The dates and times for Lenten activities is on a separate insert in this week's bulletin. **While we normally have a Communion service on Mondays, this Lent we will be celebrating Mass at 5:30pm on that day. It will give those who work an opportunity to enhance their Lent by attending a daily Mass during the week.** Lent is not just a liturgical season that we observe every year but a holy time to grow closer to the Lord. Please plan out your Lent carefully to find ways to become more open to the path of Jesus Christ.

Fast and Abstinence

Paul Turner

During Lent, Catholics in the United States abstain from meat on Ash Wednesday and on all the Fridays of the season. They fast on Ash Wednesday and Good Friday. They are encouraged to continue the fast on Holy Saturday as well, in union with those preparing for baptism. On a fast day, people eat only one full meal; they may also eat two partial meals and should not snack between any of them. The laws of fast and abstinence may vary from one country to another; however, they accomplish the same goals. They help us imitate the example of Jesus, who fasted 40 days to prepare for his ministry. They help us display our common repentance. More than declaring our personal desire for conversion of heart, they strengthen our community by expressing our corporate sorrow for social sin. They teach us detachment from passions and turn our hearts more toward God and less toward food. They make us more disciplined and more charitable.

The purpose of fast and abstinence, then, is not to punish us but to make us more loving, more prayerful, more detached from whatever may keep us from God. Fasting becomes more spiritually effective when sustained by other practices such as prayer, charity, and almsgiving. The prayers at Mass during Lent presume that the community is supporting its prayer with fasting and its fasting with prayer. Everyone age 14 and older is bound by the law of abstinence. Younger children are to be educated in its significance. Other Catholics are expected to avoid meat on Ash Wednesday and the Fridays of Lent no matter how old they become.

However, fasting binds from after one's 18th birthday until after the 59th. Catholics younger and older than that need not fast on Ash Wednesday and Good Friday. Nonetheless, fasting is a praiseworthy penitential practice, even when it is not required. Throughout the year Catholics fast from food and drink one hour before sharing communion.

EUCCHARISTIC PRAYER II**

We offer you Lord, the Bread of life and the Chalice of salvation

A true sacrifice is giving up something that is very meaningful to us, and is done for the good of others. From primitive times people offered valuable things to the gods. Animals were very important to the ancient people and hence became their sacrifice.

Today we offer up the best we have, ourselves. But the divine deserves more. Therefore the sacrifice we offer to God must be the perfect sacrifice. That perfect sacrifice is Jesus the Bread of life and the Chalice of salvation.

1. What is the biggest sacrifice I have had to make in my life?
2. What is the biggest sacrifice that anyone has made for me? Why were either of these sacrifices made? Were they enough?

“A good tree does not bear rotten fruit, nor does a rotten tree bear good fruit.” - LUKE 6:43

Are you using your gifts in the way God intended? Have you asked God how He would like you to use them? Do you compare yourself to others and complain about what you don't have instead of being thankful for what you do have? God gives each of us unique gifts and a unique plan. Listen to how God is calling you to use your gifts, to bear good fruit, for the glory of His name.

NEWS from Family Hope Center

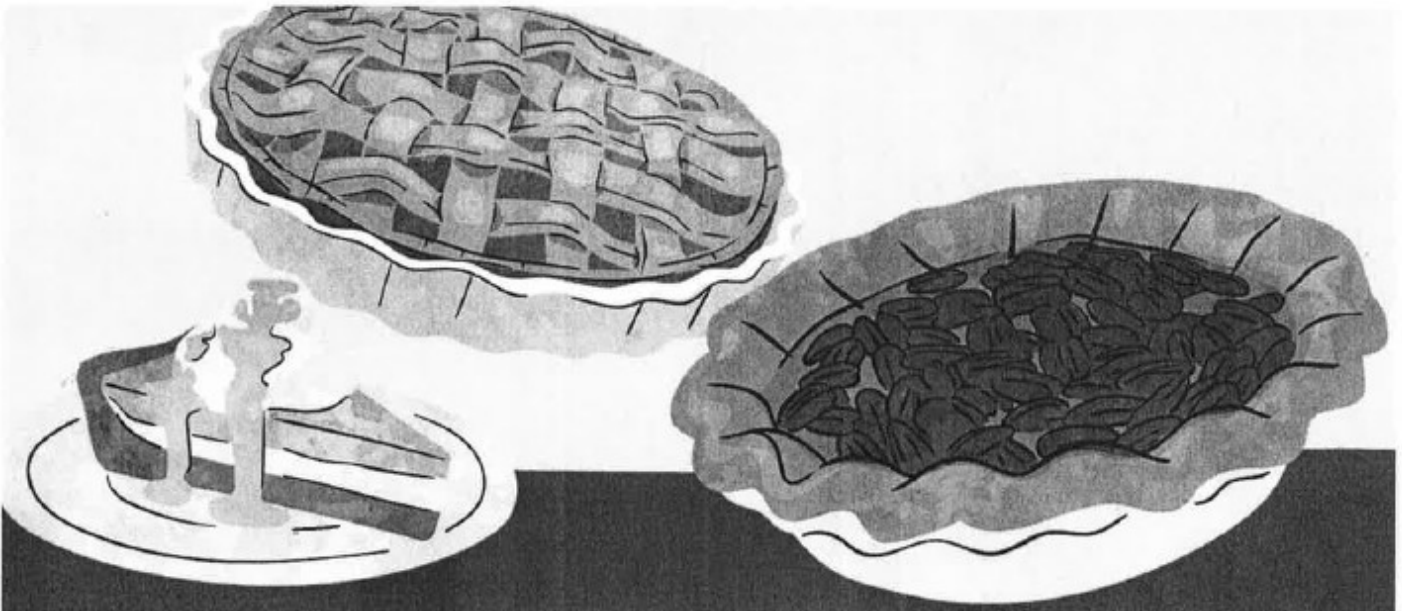

Congratulations to our parish who donated \$9,378 to the annual Baby Bottle Campaign!

Family Hope Center (FHC) is a pregnancy care center whose main office is in Geneva with a new and part time office in Ovid. THEY NEED A MEDICAL DOCTOR who can sign off on ultrasounds. They have not been able to perform ultrasounds for some time because of this. IF YOU KNOW OF A PROLIFE MEDICAL DOCTOR, WHO WOULD BE WILLING TO DO THIS, please contact Doreen Teed, Director of FHC, at familyhopecenter@outlook.com OR call 315-789-0708.

Quote from Doreen, "When FHC enters a new year, there are a few annual tasks that get done. One of these tasks is to purge and shred client files over 7 years old. Yesterday I sat with a pile of 2017 client folders on my lap and read through them. I was reminded what a blessing this ministry is in family lives! So many clients visits...files were up to 4 inches thick, equating to dozens of visits per client. Some of the names brought tears to my eyes, remembering the struggles they faced and may still face. Some files brought a smile to my heart, remembering the joy filled visits and the relationships created for a season. I found myself commenting out loud things like: "Oh, I remember this visit, that was tough" or "This was such a good visit" or "This girl has had a rough life, I think of her often and say a quick prayer".

DOREEN IS RETIRING IN 2025, but her faith and trust in God is strong, as she reports, "One thought, however, was in the back of my mind, as I was going through files. 2025 will be my last year, my last year working with clients. The last year I will review past client folders and be reminded of those precious visits. God has a plan for Family Hope Center. He knows who is best to lead us into the future. We need to pray together that His will be accomplished." PLEASE PRAY FOR A NEW DIRECTOR! IF YOU OR ANYONE YOU MIGHT KNOW, MIGHT FEEL A CALLING, please contact Doreen.

Doreen states, "Abortion access has changed dramatically since 2019. The online sale of abortion pills was legalized and now accounts for over 60% of abortions performed each year. Girls no longer need to have a positive pregnancy test or know how far along they are to perform self-abortion at home. We see girls wanting to talk about pregnancy and decision-making process, rather than the pregnancy itself. Please pray that our website and social media presence will encourage more girls to come in and talk! NYS has made it difficult to be involved in prolife ministries, and we have had a difficult time finding a doctor to partner with ultrasounds."
